PGDM i CONNECT program is mainly designed for aspirants looking into the current market which channels you and will be given through extended internships during the course into the industrial market. Insight Training and Career Management Program are rooted in the curriculum from the very beginning of the program to make the students all ready for the corporate world. This practical exposure on executive training with a project study makes our students strengthen their attitude, skills and knowledge.

WHY PGDM

- Flexible and frequently updated curriculum drawing reference from the most current industry practices
- Opportunities for Wider Specialization Programs (WAPs) delivered through industry experts
- Approved by AICTE & MHRD Govt of India, the program is also certified by AIU (Association of Indian Universities)
- Case-studies and live projects based teaching methodology in addition to opportunities for frequent internships
- Opportunities to learn decision-making and problem-solving through real projects, field trips and industry exposure
- Opportunities to explore the global business context through a planned trip abroad with multiple exposures to MNCs, marketplaces and govt. orgs.
