Why BBA at St.Xavier's?

BBA (Bachelors in Business Administration) is an undergraduate program in commerce which entails the study of the specifics of management, corporate law, corporate structure, financial management, business economics, corporate government, marketing etc. St. Xavier's Bangalore, with its fine pedagogy, highly trained faculty, excellent infrastructure and modern teaching methods is a very good choice for any aspiring business student. BBA programs cover the basics of management studies and equip a student with the requisite quantitative, verbal and logical reasoning skills that will be essential to clear the management entrance examinations. The pedagogy is based on current industry requirements, hence, is more practical and experience-oriented when compared to other colleges. The college emphasises the development of interpersonal and communication skills and demands consistently impressive performance in all core subject areas.

BBA lays the groundwork for MBA and the advantages St Xavier's gives prepares its students for future educational endeavours. The course is AICTE accredited, which is a guarantee of the quality of education it provides. The placement cell of the college takes great care to ensure that the student's preparation meets the industry standards. Workshops, conferences, and industry visits are conducted to improve industry readiness. The students are provided with training to ace psychometric tests and professional examinations. Personal counselling sessions are conducted to assess and improve the specific deficits of each student. A litany of internship opportunities is provided along with foreign language training to prepare students for workplaces outside the country. BBA at St Xavier's is a great choice for any highly motivated and studious student.
